Prior to joining Jones Lang LaSalle in 2009, Dominic Carbonari joined Grubb & Ellis Company in 1999 as a Transaction Advisory Services Professional in the Industrial Service Group. He was promoted to Senior Vice President in April 2007 in recognition of his sales achievements and superior approach to client services, including closing over 40 transactions totaling more than 5 million square feet in the last two years. As Senior Vice President, Dominic approaches each assignment in a business consultative capacity, advising companies long before an actual transaction is required.

Dominic concentrates his area of focus on the Western submarkets in the Metro Chicago area focusing on developing and executing strategic marketing plans that ultimately maximize asset values. He represents the needs and interests of both owners and tenants in all facets of industrial real estate, including: existing and under development facilities, improved and unimproved land.
